

Please do not remove K-LOVE from the air. As a resident of the local community K-LOVE serves me with encouraging music every morning on my way to work. I don't have to listen to morning talk shows or commercials, just great music. If K-LOVE was displaced by an LPFM, it would take away a great Christian music station that gives people hope and encouragement everyday. K-LOVE is in the public interest because in our world there is little that gives people light and something to hold onto like K-LOVE does. NO other radio station could have the positive impact on the community that K-LOVE does.
